Shipping from China to Ghana

We ensure proper and consistent pick up from all 50 US states and China, for all manner of packages and deliver them to your door. You can also get prompt purchase assistance from us and shipping at the same time. [Shipping from China to Ghana](#) and **shipping from China to Kenya** is quite prominent with AQUANTUO.

With AQUANTUO, you pay only a fraction of what you would pay to the competition. Especially in comparison to what you generally pay for freight services to companies like FedEx, DHL, USPS/Ghana Post/Posta Ghana, and UPS, etc. If you are shipping from China to Ghana or shipping from Ghana to China, we are here to help.

We confirm each package received or picked up, verify that they are in a good state, and repackage where necessary before shipping. We also keep you informed every step of the way via timely notifications and through our tracking system. The clearance from customs for all of your items is our responsibility. At Aquantuo, we make sure that you get the best shipping services at low prices.

How We Work? / Online purchases

Our process is very simple. Let's look at how we function.

You can shop online from your favorite stores anytime, then at checkout, choose to ship those items to your unique AQUANTUO address, which will be found under your profile when you sign up on our platform. Yes! You can get a free China address for shopping with us. After that, you can log on to your AQUANTUO account online or on the app to let us know about what items to expect in your name.

After we receive your items and the cost of shipping has been paid, we ensure fast delivery to your desired location. In all, the online purchases with us will be an excellent experience for you.

Ghana: [\(+233\) 50 163 4195](tel:+233501634195) / [\(+233\) 50 163 4196](tel:+233501634196)

Buy for me/Concierge

We purchase items for you on your behalf when you provide us the URL and specific details. You pay only after we confirm the product that you want to buy.

Once we get your item after purchasing it, we deliver it to your doorstep at the earliest. With this service, you can focus on other essential things in your life while we do the buying for you. Meanwhile, we got you covered for shipping to Ghana from China or air freight from Ghana to China or anywhere else.

If you are within the United States and want to save on the cost of shipping from your state to our location in Delaware, but the store won't ship the products, simply give us your shopping list, we can walk into stores like Sam's Club, Costco, BJ's, Lowes, Home Depot and many other brick and mortar stores to purchase those items for your business, project or home. We also offer this convenient service for our international clients as well.

Ghana: [\(+233\) 50 163 4195](tel:+233501634195) / [\(+233\) 50 163 4196](tel:+233501634196)

Send a package

AQUANTUO **package delivery services, China**, sends/receives packages from family, friends, and other businesses. With this, you tell us the address to pick up your package from and where to send it. Only then we arrange and pick up your package from your address. To schedule a pick up from a US or Canada location, we will also need the weight and dimension of each package to be picked up.

The convenience of this door to door service from the [China to Ghana](#) or Ghana or from Ghana or Ghana to the China is unmatched and is ideal for busy individuals or businesses who would rather focus on other priorities.

Ghana: [\(+233\) 50 163 4195](tel:+233501634195) / [\(+233\) 50 163 4196](tel:+233501634196)

Pick and pack fulfillment

You can get in touch with [AQUANTUO](#) to avail the best pick and pack fulfillment services. We are one of the well-known **pick and pack companies in the China and Ghana**. You can store your goods in our warehouses for shipping purposes. And then you can fulfill the online orders from your customers through our shipping services. So if you are in our outside the China and looking to sell your products to an international market, talk to us about your fulfillment needs.

In the pick and pack fulfillment, we will store your packages in our warehouse, then as your orders come in through our integrated software or via a means that works for you, we have pickers that work on your orders. They will then pick, pack and seal your goods for shipping to your customers. With timely updates on the status of these orders to you and the status of your inventory with us. It helps you to track vital aspects of your business.

Download and install our free mobile AQUANTUO app from the App Store or Google Play. That will help you to quickly get in touch with us to send your request for any freight service. We revert immediately to fulfill your freight service request. This app helps you in tracking your shipments on the go. The latest updates and notifications from the customer support team are also available on the AQUANTUO app.
